NEIGHBORHOOD ASSOCIATION

Elect Officers and Board Members, Enter a Drawing, and Learn about Recycling at the January 16 Meeting

Our January meeting will be one you won't want to miss. We will be casting our votes for the 2007 WPNA Officers and Board of Directors. We will also have a drawing for our members for a \$20 gift certificate from Marsh's Sunfresh. Our guest speaker will be Tonya Davis from the Solid Waste Division of Kansas City, Missouri. She will present information about a variety of recycling opportunities provided by the city.

Those who have been nominated and who have accepted nomination for positions on the Board are as follows:

Officers:

President	Julie Tenenbaum
Director of Finance	Marlene Toms
Director of Membership	Boyd Williston
Secretary	Paul Minto

At Large Directors:

Joe Montanari	John Toms
Ed O'Donnell	Shelley Zimmerman
Kevin Pinkowski	

The board will select a vice-president from among the at-large directors. Only those who are current (2007) members of WPNA may vote. Membership may be obtained at the meeting by completing an application and paying the annual dues at that time. Ballots will be distributed to WPNA members. According to the by-laws, a household membership entitles each household to one vote, and a business membership entitles the business to one vote. Members will vote for each officer and five at-large directors. Write-in candidates are allowed. Three WPNA members who are not running for office will count the ballots during the meeting. The officers and five at-large candidates who receive the highest number of votes will be declared the winners. New officers and board members will assume their duties immediately.

Neighbor to Neighbor

The WPNA newsletter is intended to be a vehicle for neighborhood communication. Most of the articles you see in the newsletter are written by the board members, who have been the major contributors for many years. We write about things we think people will be interested in, events that are planned for the neighborhood, and how those events turned out. We include information about city services and activities.

We'd like the newsletter to reflect the interests of the entire neighborhood. To do this, we need your input. Please tell us what kind of information you would like to see in the newsletter. You can also submit articles. All submissions are subject to editing for length, and inclusion is at the discretion of the editor. No articles of a political nature or advertising, please.

To make suggestions or to submit an article, contact Boyd Williston at boyd01wpna@kc.rr.com, or call him at 816-931-0194. Tell us what you think!

Did You Know...

Under certain conditions, you can renew your license plates online at www.plates.mo.gov. If your renewal notice contains a pin number AND you have the paid receipt for your 2006 personal property taxes (also for 2005, if you are renewing for two years), AND you have the receipt for a vehicle inspection that has been performed within 60 days of your renewal date, AND you have a method for payment online (such as a credit card or e-check capability), then you can renew online. No waiting in line! Very cool!
